TESTIMONIAL - DORIAN GLASS

1 September 08

To Whom it May Concern:

Dorian was employed by Livewire to assist with an important Government Tender (City of Cape Town) which required powerful strategic expertise and deep-seated business experience.

Being unusual for Livewire to seek such strategic assistance, it was a good testing-ground for being able to achieve success within a newly-formed collaborative setting and time-scarce environment.

Dorian's approach was truly professional, sincere and deeply insightful. His intelligent grasp of the total workings of the Tender and its set processes assisted the Livewire Team in putting forward an exciting, highly professional Tender that attracted excellent commendation from Client.

I can recommend Dorian's strategic and business services to any company wishing to pursue the highest quality and excellence of business performance.
